EDUCATION

Universitas Pendidikan Indonesia

Undergraduate, Majoring in Education of Information System and Technology, 8th semester (GPA: 3.79 out of 4.00 **Lastest**)
July 2021 — Present

Results-driven IT Specialist with expertise in Back-end Development and Cloud Computing. Over 6 months of hands-on experience in Google Cloud Platform (GCP), Vue.js, MySQL, and REST API development. Recognized as a Top 10% Distinction Graduate in the Bangkit Academy Cloud Computing cohort. Certified Google Associate Cloud Engineer, with a proven track record in website optimization, system refactoring, and cloud-based deployment. Recently interned at PT Usaha Maju Makmur, where I enhanced website performance, managed IT infrastructure, and collaborated with cross-functional teams. Passionate about leveraging technology to enhance business efficiency and scalability.

EXPERIENCE

PT. Usaha Maju Makmur

IT Specialist Intern (Full-time)

Sep 2024 - Dec 2024

- Refactored and optimized the company's website by transitioning to Vue.js, enhancing performance and user experience.
- Conducted website health checks, maintained network infrastructure, and ensured database accuracy in collaboration with the Audit and Tax teams.
- Assisted in IT support, troubleshooting, and improving internal systems, ensuring smooth operations across departments.

Bangkit Academy

Cloud Computing Cohort 2024 Batch 1 (Full-time)

Feb 2024 - Jun 2024

- Graduated in the top 10% of all Cloud Computing cohorts at Bangkit Academy, acquiring hands-on experience in deploying applications such as Successfully deployed a full-stack web application using Google Cloud's App Engine and Cloud SQL, monitoring operations, and managing enterprise solutions using Google Cloud services.
- Gained specialized skills in backend development and machine learning backend deployment on Google Cloud, enabling the creation of robust and scalable applications.

Google Developer Student Clubs UP

Active Member (Seasonal)

Nov 2023 - Jul 2024

- Actively participating in GDSC UPI to enhance technical skills, focusing on Android development, Cloud Computing, Machine Learning, UI/UX design, and Web Development.
- Developing non-technical skills such as leadership and teamwork through collaborative projects, contributing to solving local problems, and engaging in solution challenges.

ProliteNews

News Writer (Part-time)

Jun 2023 - Sep 2023

- Develop and write a diverse range of news content spanning multiple categories including general news, events, national and international affairs, business, lifestyle, automotive, and technology, with a special focus on technology-related stories based on readers' needs.
- Focus on creating articles that promote public awareness and foster an informed community.
